

Astrid Vellacourt

INDUSTRIAL DESIGN / FOUNDER / SPEAKER

Vellacourt & Sund is a six-person industrial design studio working on products people keep.

Astrid Vellacourt co-founded and runs Vellacourt & Sund, a six-person industrial design studio. She works on physical products from first sketch to production and is raising a seed round to grow the studio's own product line.

CONFIRMED TALK OFFER

Designing the thing before the deck

on building product before pitch.

Six people, one hand

on keeping a small studio's craft as it grows.

What survives contact with a factory

on designing for real manufacturing.

Astrid Vellacourt - Vellacourt & Sund.
